

## 101 Projects Host/Hostess Club Guidelines:

Welcome to the club! While you are in your club rotation, you'll receive:

- A FREE current Annual Catalog, as well as any supplemental catalogs such as Holiday or Occassions.
- Thank you note! I'm geeked that you chose to become a member, so thank you!
- A members only Facebook page to stay up to date with specials! I'll also post member only tutorials and templates, just for you!
- At the end of your rotation, a SWAG BAG, filled with \$20 (or more!) of Stampin' Up! products chosen by me! May be current or retired products!
- Guaranteed \$15 in Host Rewards during your month! This total may go up, depending on what gets ordered! Your order must be at least \$25 before tax/ship, but you can certainly order more. I would recommend that during your host month, that you order anything extra that you need, to earn more host rewards! (and yes, you still need to place your \$25 order during your month!)
- Free shipping when you are the host!

How does this work?

- After 6 people commit and turn in their enrollment forms and credit card info, I will randomize the names and come up with a host rotation.
- At the beginning of the month, I'll post the host code on the Facebook page and tag you so you know what it is! You MUST use the host code when you order! If you don't, we'll need to contact customer service to add the code. I'll share with you on the Facebook page where to put it!
- Your order must be placed before the 25<sup>th</sup> of the month.
- After all orders are placed, I will contact the host of the month to let them know how much they receive. They will have 3 days to let me know what product they would like to redeem their host rewards on.
- If you are late on your order, I'll order for you. You may specify on your member agreement what products you'd like as "back up" orders in case you forget to order. I will contact you to get your credit card information into the Stampin' Up! System so that your info is protected on Stampin' Up!'s secure site. This will be the credit card that will be charged if you miss an order.
- 6 month commitment. You can join more than one rotation, just be sure you understand you are committing \$25 to each club you join!

Is your Stampin' Up! Wish list a mile long? Help your budget and build up your stamping supplies with a host club!
